

MT BindingSim

A 3D molecular model of a microtubule (MT) structure, composed of green and dark green spheres, positioned behind the text 'MT BindingSim'. The model shows a helical arrangement of subunits, with a lighter green section on the left and a darker green section on the right, suggesting different states or components. The text 'MT' is in a dark green, bold, sans-serif font, and 'BindingSim' is in a lighter green, bold, sans-serif font.
